

# Arkansas Bean Brief

## February 2016

### Featured Research

#### Foundation Seed Program

[Click here](#) to watch Program Associate of the Foundation Seed Program, University of Arkansas, Debbie Wisdom, describes how new varieties are developed to produce a high-quality seed for growers.

### Featured Dish

**Ricotta Cavatelli**  
with fresh soybeans, milled tomatoes, cured pork and hot pepper

The [Kitchen|Fields Table Tour](#) has partnered with its third feature restaurant: The Hive in Bentonville, AR.

Through this appetizing dish, Arkansans will be educated about where their food comes from and the impact they have on the soybean industry by consuming soy products, which in turn supports local soybean farmers.

[Click here](#) to watch Executive Chef of The Hive, Matt McClure, prepare his feature dish, which is available until the end of March!

We appreciate the participation of all the producers who entered the 2015 Grow for the Green Soybean Yield Contest. Thank you for sharing your production methods and secrets with the rest of the Arkansas soybean industry. To see all the winners, [click here](#)!

## Save the Date

The 2016 Mid-South  
Farm & Gin Show  
February 26 & 27,  
2016 at the Memphis  
Cook Convention  
Center

## Stay connected with ASPB

The Arkansas Soybean Promotion Board has created a text message service to keep you quickly informed about the latest news and events in the soybean industry.

To receive monthly alerts from the soybean board:  
Text **ARSOY** to 313131 or [click here](#) to sign up!
