We'll also be giving out some of our 50th anniversary tote bags at farmers markets around Central Arkansas. Stay tuned to our social media channels this month for announcements on how to get yours.

Be sure to check out the [Arkansas Soybean Month](#) page on [TheMiracleBean.com](http://TheMiracleBean.com) for more information and ways you can celebrate with us. You won't want to miss all the fun things we have planned!

On a final note, I'd like to say, we have done a lot since the Arkansas Soybean Promotion Board was established [50 years ago](#) to improve the soybean industry and to make its importance known to the state in Arkansas. Our [research](#) has supported industry [advancement](#), our state is represented on the national [leadership](#) board, and we are reaching a wider audience – including [students](#) and [consumers](#).

Our work has only begun. I can't wait to see where we go from here.
