Career Snapshot

## Carol Johnson

**Carol Johnson** always wanted to live on a farm, and her passion for agriculture was clear from a young age. After graduating college with an ag degree, she pursued agriculture opportunities focused on development and teaching. She's now the chief development officer for the only agriculture fraternity in the world, Alpha Gamma Rho. Watch her career snapshot video to learn more!

# Grow for the Green Contest Results Coming Soon

For many years, ASPB has proudly sponsored the annual [Grow for the Green Soybean Yield Contest](#), administered by the Arkansas Soybean Association (ASA) and the University of Arkansas. The results of this year’s contest will be announced in the coming weeks at the ASA Annual Meeting, in Brinkley on January 25th. For complete details, stay tuned to [TheMiracleBean.com](#) and ASPB’s social media for updates on this year’s contest results.

# Arkansas Grown Conference & Expo

The Arkansas Department of Agriculture’s Arkansas Grown program is partnering with Arkansas agriculture associations and organizations to host the first-ever Arkansas Grown Conference & Expo! It is open to all parties interested in Arkansas agriculture, the state’s largest industry, and focuses on the farmers and producers who grow for our local food system.

The four-day conference and expo will be held in West Little Rock at the Embassy Suites. There will be workshops, speakers, off-site farm tours, a vendor trade show, delicious food, and even an Arkansas wine tasting. Learn more about the new conference by clicking the button below and be sure to stop by the ASPB booth if you attend!
