# Arkansas Soybean Producer Visits China

U.S. Soybean Export Council

Last month, Arkansas farmer and [United Soybean Board](#) Director **Robert Petter** attended and spoke at [USSEC](#)'s Sustainable Soy Trade Roundtable and U.S. Soy Banquet in China. This event showcased sustainable soy solutions, celebrated 40 years of U.S.-China collaboration, and fostered discussions on industry cooperation and future prospects.

During his speech, Robert emphasized commitment to sustainable development in U.S. soybean production. He even shared examples from his own Arkansas farm and expressed confidence in continued joint leadership with China in global sustainability efforts.
